Reflections and Evaluation

School: _____

Contact: _____

Name of Facilitator: _____

Presentation date: _____

Did the booking procedure convey adequate information?

Was the content and the duration of the program suitable to the age of the students?

Would you plan this presentation into your timetable again? Why or why not?

How did the program tie in or complement what your class has been studying?

Did you find the environmental message applicable?

Did the program meet your expectations, and can you suggest changes that would make the program more relevant to the grade you teach?
